Reel to Real is an innovative instructional resource that serves as a starting point for guided inquiry into the people and events in historical films.

Exploring Geographic Knowledge through Mental Mapping

ABC-CLIO

Panem, likely without even realizing it. The truth is that everyone uses mental mapping on a daily basis as they navigate and make sense of the world around them. Without mental maps we would not be able to get to the room down the hall or, in this case, create a conceptual visualization of a fictitious nation.

With the upcoming release of *The Hunger Games: Mockingjay Part 1*, fans certainly have their opinions regarding the geographic orientation of the fictitious post-apocalyptic nation known as Panem. Many have mentally mapped out

We encourage students to practice their mental mapping skills of the United States with the activity provided. Submit group maps for a chance to win books for your library and movie tickets to your local theater.
