

Purchasing Books for Personal Use or Events and Appearances

For Personal Use

Authors or contributors purchasing their own book for personal use will receive a 40% discount plus shipping and handling. Sales tax will be charged, if applicable, for the state where the shipment is sent.

For Author Events and Appearances

ABC-CLIO encourages authors to arrange book-signing events, speaking engagements, and other appearances on their own. ABC-CLIO does not solicit appearances on the author's behalf.

Because publication dates are subject to change, it is inadvisable to plan any events within two months of the book's scheduled publication date without first checking with your editor.

Ordering and Sales Policy

Books for events are discounted 40% off the list price. A 9% shipping and handling fee will apply. Sales tax will be charged, if applicable, based on the state of the event. Books for events are not sold on consignment; prepayment is required. MasterCard, Visa, Discover and American Express are accepted.

The host organization (conference bookstore, bookstore, or lecture location) must contact customer service with the book order no later than two weeks (four weeks if outside the US/Canada) prior to the event.

All inquiries and orders for personal use and events should be sent to:
