

THE LATINO AMERICAN EXPERIENCE

THE AMERICAN MOSAIC

The Latino American Experience illuminates the rich heritage and culture of Latino groups in the United States and enables deep research into key social, political, and economic forces that have shaped the historical and contemporary experiences of Latino American communities.

CONTENT HIGHLIGHTS

- A robust collection of primary and secondary sources illustrating the customs and practices of diverse groups, including rituals, celebrations, art, literature, music, food, and more
- Ebook collection featuring titles from ABC-CLIO and Praeger's award-winning imprints for academic reference and research
- Academic perspectives on key issues shaping the modern Latino American experience, such as immigration reform, media portrayals, and voting access
- Comprehensive historical coverage beginning with pre-16th century Maya, Inca, and Aztec empires and continuing to present-day Latino American communities

FEATURES

- Designed for accessibility and differentiation with translation, text-to-speech, and audiovisual resources
- Embedded search, save, and citation tools for effective student research
- Demographic tool allowing for the tracking and comparison of state-level data on population, education, income, voting trends, health indicators, and more
