

POP CULTURE UNIVERSE

ICONS, IDOLS, IDEAS

A recipient of the American Library Association's prestigious Dartmouth medal, *Pop Culture Universe: Icons, Idols, Ideas* applies an academic lens to U.S. history through the study of popular culture.

CONTENT HIGHLIGHTS

- Dedicated coverage of each decade in modern American history from the Age of Innocence of the 1900s to the social revolution of the 2010s
- More than 4,000 images, audio clips, and archival videos bring life and color to each decade of American history, supporting engaged student learning
- eBooks – featuring titles from ABC-CLIO and Praeger's award-winning imprints for academic reference and research
- In-depth explorations of cultural subtopics including arts and literature, sports and recreation, communications and technology, and domestic family life

FEATURES

- Designed for accessibility and differentiation with translation, text-to-speech, and audiovisual resources
- Embedded search, save, and citation tools for effective student research
- Academic Roundtables – original scholarly contributions from leading academics across the social sciences, support students in developing and articulating their arguments
