

WOMEN'S HISTORY IN THE UNITED STATES

THE AMERICAN MOSAIC

Women's History in the United States provides a thorough examination of women's contributions, perspectives, and challenges from precontact times to the present. The platform provides academic researchers and students with an inclusive lens on U.S. history through the diverse voices of a group often left out of the mainstream narrative.

CONTENT HIGHLIGHTS

- Academic perspectives on key issues shaping the experiences of women in the U.S. including political representation, reproductive rights, media portrayals, and more
- More than 1,500 primary sources including letters, photographs, documents, newspaper clippings, archival video footage, and influential quotes and speeches
- Ebook collection featuring titles from the award-winning ABC-CLIO, Greenwood, and Praeger imprints for academic reference and research
- Inclusive coverage of women from diverse ethnic and cultural backgrounds deepens understanding of historical and current events
- Featuring an expertly curated collection dedicated to exploring the campaign for women's suffrage

FEATURES AND BENEFITS

- Academic Round Tables written by leading scholars across the social sciences support students in developing and articulating their arguments
- Designed for accessibility and differentiation with translation in 25 languages, text-to-speech capability, and audiovisual resources
- Embedded search, save, and citation tools streamline the research process
